CABINET – 15TH OCTOBER 2020

ITEM 5 QUESTIONS UNDER CABINET PROCEDURE 10.7

A. Councillor Needham – Carbon Neutral Action Fund

“It is understandable that the Council seeks to prioritise balancing its budget in order to continue to provide essential services and support to residents in the wake of the Covid 19 pandemic. However, it was disappointing to see a large budget reduction for the Carbon Neutral Action Fund in the revised Capital Plan 20/21. Would the Leader commit to instructing the relevant officers to explore all options for securing more funding for the carbon neutral project including, but not limited to, external sources and grants?”

The Leader, or his nominee, will respond:

The draft Carbon Neutral 2030 Plan sets out an ambitious programme to deliver on the vision for the organisation to be carbon neutral by 2030 through capital projects and behavioural change. The plan has however, needed to be revised in light of change in circumstances occasioned by the pandemic and also the strategic review of the Council’s assets to ensure that resources are appropriately utilised and carbon reduction optimised to achieve the target. Officers are aware of the many funding streams and grants available and will seek to review projects in light of these opportunities.
