Key Decision

CABINET – 10TH DECEMBER 2020

Report of the Scrutiny Commission

ITEM 7 DISCRETIONARY PRIVATE SECTOR HOUSING LICENSING SCHEME

Purpose of Report

To consider the comments and recommendations of the Scrutiny Commission in relation to the Discretionary Private Sector Housing Licensing Scheme proposals.

Recommendation of the Scrutiny Commission

That the Cabinet be informed that the Commission welcomes and supports the recommendations set out in the report of the Head of Strategic and Private Sector Housing.

Reason

The Commission, having carefully considered and asked questions on the report felt the Cabinet should approve the recommendations set out.

Meeting Discussion

- i. The Additional Licensing scheme would focus on HMO properties that were not covered by the HMO Mandatory Scheme and the Selective Licensing Scheme, which would cover all rented properties within the specified areas of Hastings and Lemyngton wards, not included within the Mandatory or proposed Additional Licensing Scheme.
- ii. The Risk Register within the report had highlighted all the potential risks identified in implementing the proposed schemes. There were a number of high-risk categories and it was considered that implementing the proposed schemes would be beneficial to improve the standards and management of accommodation within the Borough and the specified areas.
- iii. The proposed consultation exercise had been developed ensuring that statutory guidance and recent case law implications had all been considered in the planning and consultation process.
- iv. The Discretionary Private Sector Licensing Schemes would be cost-neutral, and a staggered recruitment approach would be taken to ensure the resources available reflected the size of the scheme.
- v. In the future, it is possible that the Selective Scheme could be expanded to further wards within the Borough, providing there was sufficient evidence to demonstrate the need.

- vi. If approved, the scheme would be reviewed after five years, at which point further work would be required to justify the continuation of a scheme.

CABINET – 10TH DECEMBER 2020

Report of the Scrutiny Commission

ITEM 8 EQUALITY, DIVERSITY AND INCLUSION (EDI) STRATEGY 2020-2024

Purpose of Report

To consider the comments and recommendations of the Scrutiny Commission in relation to the Equality, Diversity and Inclusion (EDI) Strategy 2020-2024.

Recommendation of the Scrutiny Commission

That the Cabinet be informed that the Commission welcomes and supports the recommendations set out in the report of the Strategic Director for Environmental and Corporate Services.

Reason

The Commission, having carefully considered and asked questions on the report felt the Cabinet should approve the recommendations set out.

Meeting Discussion

- i. Consultation with residents had taken place in the form of the Residents' Survey in Autumn 2019, which informed development of the Corporate Strategy (2020-2024). This survey covered a range of questions, which included resident feedback on equalities and equalities monitoring questions. The responses received from this and other consultation exercises as part of Equality Impact Assessments across the Council had been used to identify the priority equality objectives and inform development of the EDI Strategy (2020-2024).
- ii. Due to no significant changes in the Equality Act 2010 (and associated Public Sector Equality Duty), the development of the EDI Strategy (2020-2024) had not included considerable modification to previous strategies, although a number of integral parts of the strategy had been strengthened to reflect recent legislation such as the gender pay gap and the Modern Slavery Act as well as external environment factors such as the Black Lives Matter movement and LGBT issues.
- iii. The Council regularly participated in the Leicestershire Equalities Forum. This provided the opportunity to ensure EDI Strategies and actions were aligned to those of neighbouring authorities, and also provided opportunities to monitor outcomes in a partnership setting.
