LOVE LOUGHBOROUGH BID

Stronger Together

The Love Loughborough BID (Business Improvement District) is an organisation whose aim is to market and promote our town centre and help keep it a safe, clean and friendly environment so that customers will want to visit, and businesses have the chance to prosper. The Love Loughborough BID has become an increasingly important element of the business community over the last 10 years. It has played an essential part in raising awareness of the town and its offer, improving the environment and attracting investment

The services and projects provided to date by Love Loughborough BID were as a result of an extensive consultation process in 2017 with you, the local businesses. This focused upon the success of projects delivered by the BID in its first term after initially being voted in back in 2012. The Love Loughborough BID is business run and led and responds directly to your needs and wants.

Working in collaboration with a range of other partners Love Loughborough BID's Board of Directors (drawn from local business representatives who work on a voluntary basis) have diligently, over the last years delivered the business plan projects. They have also been proactive in seeking new avenues for funding and these efforts have added substantial value to the investment of local businesses.

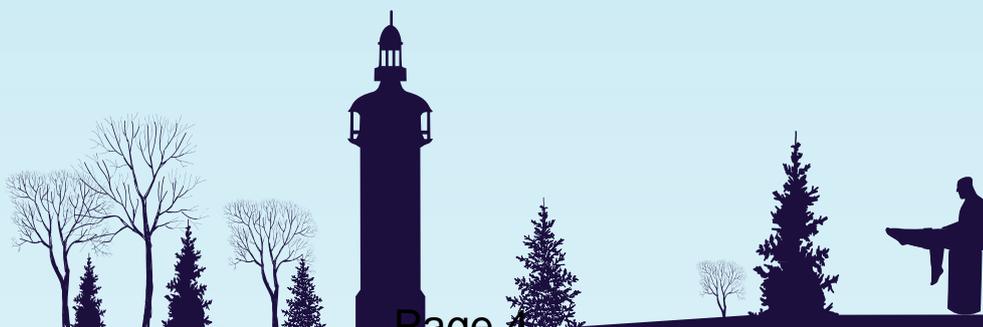

Your BID levy raises over £250,000 each year to deliver the projects that you, the businesses voted for. When this is coupled with additional income, it totals a spend of over £1.5M in 5 years.

In October 2021 Love Loughborough BID will be asking you to continue your support for the BID. The time has come for you to review and assess our work to date and to build upon the successes by helping us to formulate a new business plan for the next 5 years and by voting "YES" to renew the BID for a further 5 years

Remember, if you choose for the BID not to continue, all the work and cumulative achievements detailed in this document will wind down and cease from April 2022.

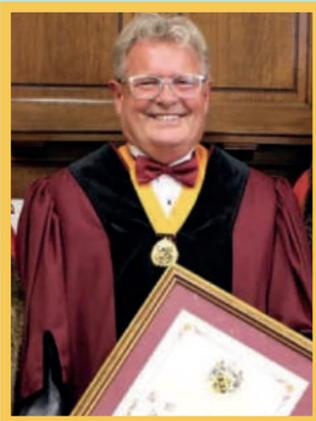

The last decade has seen towns across the UK experiencing massive changes as peoples' shopping habits move and their choices change. This has been exacerbated this year further by the pandemic and having to meet the unprecedented challenges that this has brought. In this undeniably tough trading environment Loughborough must continue to adapt, recover and grow in order to thrive.

Our town centre must be fit for purpose and able to compete with other places. Not only in recovering from COVID and its impact, but the ever growing and ever present online challenge remains. Town Centre businesses must move with the times and offer consumers what they want, when, and in the way they want it. It is crucially important to not only have a plan but to be aspirational for our businesses and our town. You can do this by showing you still support your BID. Vote "YES"

A Message from the Chairman

I live in Loughborough and run a business in the town gaining a wealth of knowledge about the town and its surrounding Borough. A well-known figure in Loughborough, I have been an active member of the Rotary Club,

Chamber of Trade & Commerce and in 2019 I was awarded The Freedom of the Borough of Charnwood in recognition to my service in the business community.

I became Chairman of Love Loughborough BID in 2017 and have invested my time, energy and passion into making Loughborough town centre a vibrant and prosperous place to work, live & visit.

I have seen Love Loughborough BID not only achieve and deliver the benefits you wanted throughout this 2nd term, but have been astounded at the adaptability and expertise in supporting your businesses throughout these unprecedented times of a Pandemic. Love Loughborough BID has achieved over and above what was set out in the Business Plan 2017 -2022 and have operated a COVID business support service

247 to ensure you received eligible grants & funding and promotion to re-boost trade & sales.

Our focus is now attuned to the re-opening and recovery of our High Street with targeted support for your businesses to help you adapt, diversify and trade safely; to welcome back customers to a safe town centre and build on what we had already achieved.

The achievements delivered so far have been awesome and I'm sure you will agree it would be a devastating loss to lose them. Love Loughborough BID is your BID and is here to deliver your wants and needs. It's down to you to decide on what the Levy should be spent on to achieve maximum results.

I urge you to complete the BID Renewal Survey and have a voice in how you can help us shape the future of Loughborough Town Centre. We need to ensure that the next 5-year plan delivers the benefits and campaigns that you want to see to ensure the prosperity of your businesses and our town centre.

Thank you for your continued support

What is a **Business Improvement District (BID)**?

A Business Improvement District or BID is an arrangement whereby businesses collaborate to decide what services and improvements (in addition to those already provided) they wish to make in their location, how they are going to manage and deliver those improvements and what they are prepared to pay to make them happen. This information forms a business plan that will be voted upon by all prospective levy payers. If the majority vote YES by both number and rateable value a BID exists for a maximum of 5 years and must spend the funding raised within the BID area and in accordance with the agreed business plan.

An Investment In **Your Business**

This document aims to both review the success of Love Loughborough BID and offer the opportunity to all in the BID area to secure a third term for the BID. A chance to invest £1.5 million over the next 5 years to secure the firm foundation we have laid and to build upon it. Together we can continue to improve footfall, increase sales, reduce business costs and not only sustain the Town Centre but be aspirational for it and our businesses.

The Funding - **Your Money, Your Say**

As central and local government funds steadily decrease, a great many Town Centres are deciding to adopt or continue this private sector management model called BIDs, to better fulfill the wishes and wants of their business community. Love Loughborough BID is an example of this and is funded by businesses in the area that pay a set levy based upon their rateable value. This investment is ring-fenced and can only be spent within the BID area on the ideas and themes agreed and voted upon in the business plan. It is important to note that the levy has nothing to do with normal business rates which pass straight to the government.

The BID Company

The Love Loughborough BID is managed by a Board of Directors (on a voluntary basis) drawn from local large and small businesses from within the BID area. The BID is a private, not for profit, independent company. Any local levy payer is eligible to become a member of the BID Company and can then be put forward to serve as a Director of the BID.

The Vote

If you are eligible to pay the levy, you are eligible to vote, so you decide if the BID continues. Of those that vote, if a majority of businesses vote in favour of the BID by number and by total rateable value, the levy will be mandatory on all businesses in the BID area apart from those that are exempt.

What Happens if it is a 'NO' Vote.

If the vote is 'NO' then Love Loughborough will cease to exist from April 2022. All the services including all the marketing, events and promotional activities, the environmental improvements, reducing crime initiatives and business support and training provided by Love Loughborough will stop immediately at that time.

“

When I was newly appointed as Pub Manager at the end of the last lockdown, there was a lot to take into consideration. Not only did I need to bring the pub back online after 6 months of closure, but was also responsible for implementing the new Covid-19 restrictions for hospitality. This kept me up a lot at night!

Love Loughborough have been there every step of the way with vital information and resources for reopening. The ambassador has been an excellent sounding board and has always been able to refer me to the best person to answer a query.

For me, the most valuable service provided by the BID is the provision of the radios. These help to keep my staff and customers safe during trading by allowing efficient communication with other venues and town CCTV. - Patrick Kane, Pub Manager, Organ Grinder

”

A NO VOTE will mean funding, services and events will be lost including:

- ✗ Over £1 million BID levy investment in supporting Town Centre businesses will be lost over the next five years.
- ✗ Funding and services that the BID leverages, averaging £30,000 pa will be lost.
- ✗ There are over 300-plus BIDs in the UK now and Loughborough would lose ground with other BID locations such as Melton, Hinckley, Leicester and Nottingham
- ✗ Events attracting over 180,000 people annually
- ✗ The Love Loughborough website - a one stop shop attracting nearly 4000 visits per month
- ✗ The Love Loughborough Facebook, Twitter and Instagram platforms would close along with promotion of local businesses and their offers.
- ✗ Loughborough in Bloom and BID Christmas Lights displays and promotions would cease.
- ✗ Business Crime Prevention Scheme, including the Retail Radio and Pubwatch would stop
- ✗ Immediate response from the BID Ambassador would be lost, removing the direct link to CCTV & the Police
- ✗ The Recycling Scheme used by over 300 businesses would cease.
- ✗ NO free WiFi or live town centre footfall data
- ✗ Business training, 121 consultations and networking events would stop
- ✗ Delivery of key projects within the Town Deal £3 million Living Loughborough Project would be compromised and elements lost.
- ✗ A powerful business body to regularly lobby on your behalf on things like car parking to COVID recovery and support will be lost

BID is in it !!! Many are overlooking the fact of what a big difference and impact this busy and hardworking team makes representing all of us.

As a small business owner, I found myself in situations where nobody cared until BID stepped in and acted on our behalf and helped massively in dealing/negotiating with authorities or large organisations.

Ever since BID is around their aim is to put Loughborough on map by doing smart and effective moves that will drive business through our doors.

As one of the highlights we would like mention is response and actions taken when we all needed help the most. Since the beginning of pandemic in March 2020 nobody had a clue that 2020 will be 2 years long and every individual and business felt impact whether on large or small scale... luckily BID was around to cover every single sector and industry with safety information, information for financial support, guidelines and most of all motivation to keep going by coming up with great ideas to lead us all out of this and survive one of the biggest challenges we all faced together.

On occasions it felt as a parent holding your hand while crossing the road... Not every hero wears a cape...we clapped for BID too... Thank you all for great job you do! - Peter and Simona Novika-Vasilova, Baobab Cafe

4. Business VOICE

These are actions to promote and support the views and interests of town centre businesses in response to official consultations from local and central Government and through championing particular issues and causes that have a bearing on the town centre.

BID has secured involvement in several influential town bodies, where it can represent the interests of levy payers and the town centre generally. During the 2nd term our achievements include:

- Member of the Town Team - tasked with overseeing implementation of the Town Centre Masterplan with key partners.

Tell Us What You Want for the Next Five years

We want Loughborough to not only to sustain its current level of collaboration and achievements but to be an example of excellence and a market leader in terms of developing a thriving trading environment and keeping pace with a marketplace that is in constant flux. As a starting point, it is important we know what has worked well for you to date and what needs further improvement. It is your ideas and feedback that will form the basis and content of our next BID business plan.

With that in mind we would be grateful if you would take the time to fill in our BID Renewal Survey on our website www.loveloughborough.co.uk.

You can provide your contact details on there too so that we can contact you in the future to invite you to our Renewal Sessions to help with our detailed business planning.

If you require a paper survey please contact us at manager@loveloughborough.co.uk

The Added Value The BID Brings To Loughborough

The BID works collaboratively with other local partners whenever we can.

It is important for businesses to sit around the same table as others who deliver services and seek to positively promote or enhance the Town Centre to maximise the impact and outcomes to the benefit of all. As a result, Love Loughborough BID has grown to be recognised as a fundamental part of both the current and future of the Town Centre. As such, we can influence and reflect the interest of both BID Members and our visitors.

Introduction

The Love Loughborough BID has been in existence since 2011. Working on behalf of the 500+ eligible businesses, the BID's primary purpose is to support its members to create a successful trading centre as well as ensuring that it is a safe and welcoming place for people to work, visit & reside. The BID has a strong focus on marketing and promoting the Town Centre to support businesses and attract visitors.

Operated by the not-for-profit BID Company with a Board of Directors (drawn from local business representatives who work on a voluntary basis) Love Loughborough BID has been driven by the private sector, with the belief that local businesses, working together, will have a more influential voice in shaping the future of our town.

Over £250,000 per annum is currently collected and this funds all our work. Additionally, it has allowed us to raise further income, about £30,000 pa to be spent on the projects you asked for.

BIDs are required to vote every 5 years to renew their mandate and Love Loughborough will come to an end unless the majority of businesses vote YES to continue it for another 5 years. If it comes to an end all current activity will stop later this year.

To secure another term we need to stage a renewal ballot in October 2021 and produce a new 5-year Business Plan on which eligible businesses will vote on. Your feedback to this survey will help shape the new Business Plan.

In the wake of COVID-19 and with our business environments ever more fragile, continuing to work in partnership, supporting one another and promoting our town centre and managing it well remains vital.

For more information and how to contact us you can visit www.loveloughborough.co.uk.

All responses will be treated in the strictest of confidence

The closing date is 31 July 2021
