AGENDA SUPPLEMENT

3. COUNCIL TAX 2022-23

3 - 8

To approve the final precepts for the major precepting authorities for the purpose of setting the overall Council Tax.

COUNCIL – 1ST MARCH 2022

Additional Budget Report

Part A

ITEM 3 2022/23 GENERAL FUND AND HOUSING REVENUE ACCOUNT
REVENUE BUDGETS AND SPECIAL EXPENSES – ADDITIONAL REPORT

Purpose of the Additional Report

To enable the Council to complete the adoption of a General Fund Revenue Budget and a Housing Revenue Account (HRA) Budget for Charnwood Borough Council, including the precept requirements of the major preceptors.

Due to the timings of the Borough Council and County Council meetings it was necessary to defer approval of the Council Tax levy calculations for 2022/23 to ensure that approvals are in line with legislative requirements.

The levy calculations are an arithmetic exercise to aggregate the total council tax billings based on the approved precepts of the County Council, the Police, the Combined Fire Authority and town and parish councils, as well as the Borough Council.

This report asks the Council to approve the Council Tax levy calculations for 2022/23 to ensure that the adoption of the complete budget and the associated council tax billing implications are in line with legislative requirements.

Policy Context

The budget is essential to all policies of the Council and the setting of a Council Tax levy is a legal requirement of the Council.

Reasons

- 1-2. To set an aggregate Council Tax in accordance with legal and statutory requirements.

Policy Justification

The budgets – incorporating the recommendations of this report and those approved by Council at the meeting of 21 February 2022 - are essential to all policies of the Council and the setting of a Council Tax levy is a legal requirement of the Council and the rents should be within guidance issued by CLG. Similarly, the Council Tax Base is required to be set by statute.

Implementation Timetable

The new budgets, rents, service charges, etc. will become effective on or after 1st April 2022.

Report Implications

Financial Implications

Without the agreement of budgets, rents, service charges, etc. the Council would be acting illegally and would not be able to function for any length of time.

Risk Management

There are no direct risks in approving the recommendations of this report and the inherent risk elements of the budgets, etc. are covered by the main budget report to the Cabinet on 10 February 2022.

Part B

Background

1. At the meeting of 21 February 2022 Council approved an initial set of recommendations, being the substantive decisions in respect of the Council's General Fund and Housing Revenue Accounts.
2. Due to the timing of the Leicestershire County Council precept-setting meeting being after the scheduled budget meeting of (Charnwood Borough) Council it was not possible to confirm the Council Tax levy calculations for 2022/23.
3. The precept for Leicestershire County Council now having being agreed, Council is requested to approve the Council Tax levy calculations as set out in the recommendations to this report and thereby complete the legal process of setting the General Fund revenue budget and Housing Revenue Account budget for 2022/23.
