CABINET - 7TH JULY 2022

Report of the Head of Financial Services

Lead Member: Councillor Barkley

Part A

ITEM CAPITAL PLAN OUTTURN REPORT 2021/22

Purpose of Report

This report shows the total expenditure on the Capital Plan for the year 2021/22 compared with the current budget, which was reported to Cabinet in the Capital Plan Amendment Report on 16th September 2021 (minute 29) and on 9th December 2021 (minute 61). In addition, the report details those schemes that require carry forward of budget to 2022/23 and the financing of the Capital Plan.

<u>Recommendations</u>

- 1. That the outturn position for 2021/22 be noted, and slippage of capital budgets totalling £36,370,400 being General Fund £33,384,000 and Housing Revenue Account £2,985,600 be carried forward into 2022/23 and added to the new 3 Year Capital Plan and be recommended to full Council for approval.
- 2. That the financing of the Plan set out in Table 2 be noted.

Reasons

- 1. To ensure compliance with Financial Regulations and that Capital projects are completed.
- 2. To indicate how the Plan is to be financed.

Policy Justification and Previous Decisions

The Capital Plan is fundamental to all strategic aims of the Council. The Council's Financial Regulations require that slippage of more than £250,000 on individual capital projects be approved by full Council.

Implementation Timetable including Future Decisions and Scrutiny

The decision will come into effect immediately (subject to Call-in). The recommendation to full Council will be presented at the next available meeting.

The Scrutiny Commission will have the opportunity to consider this report for pre-decision scrutiny on 5th July 2022.

Report Implications

The following implications have been identified for this report.

Financial Implications

The financial implications of the recommendations are covered in the body of this report.

There are no specific risks associated with this decision.

- 4. Over the four years to 31 March 2022 the Council has invested £40.6m in Capital General Fund projects and £22.2m in Housing Revenue Account (HRA) schemes, making a total investment in the Borough of £62.8m, being an average annual investment of £13.5m. Compared to the fouryear average to 31 March 2021 of £15.8m is lower by 14%.
- 5. The net amount of £36.4m requested to be carried forward into 2022/23 is detailed on a scheme-by-scheme basis in Appendix 1 and the major items include:
- 6. <u>Enterprise Zone</u> The £15m budget was included as part of the Capital Strategy Plan 2021/22 and 2022/23. The fund was created to allow "forward funding" of buildings or infrastructure within the Zone financed by future business rate receipts. £2m was paid over as a grant to the Leicester & Leicestershire Economic Partnership to support a grant in respect of the Loughborough Charnwood Campus Site in 2021. This was internally borrowed by Charnwood Borough Council and will be re paid back over a 4-year period. The balance of £13m will go into 2022/23 as a provisional budget and any new schemes will be reported to Cabinet.

- 7. <u>Bedford Square</u> The profiled budget of £2,654k for 2021/22, of which £652.5k has been requested as slippage to meet planned expenditure in 2022/23. The budget for 2022/23 is £1,215k with an overall total budget for this scheme of £3,869k. The completion date is reliant on the contract programme which is reviewed on a monthly basis by the contractor and our project manager. The current completion date is July 2022.
- 8. <u>Regeneration Projects</u> The budget is £15m the balance will go into 2022/23, the funds are provisional as part of the Capital Strategy. Major projects will be coming forward where the Regeneration capital funds may be required those include the 2 Town Deal projects, "Hope Bell" and "Living Loughborough". Whilst Town Deal funding will be available, these projects may incur extra costs or their scopes may be expanded, if it proves beneficial.
- 9. <u>Disabled Facilities Grants</u> The budget is £2,559k in 2022/23 and fully funded by the Better Care Fund. Mandatory and Discretionary grants are approved in line with the Private Sector Housing Grant Policy. The slippage requested for this scheme is £1,433k, to cover commitment of DFG approvals, reserve creditor for payment of the Lightbulb Central Hub and the DFG applications that are currently being processed.
- 10. <u>Acquisition of Affordable Housing to meet Housing Need</u> The budget in 2022/23 is £3,303k, the Council signed an agreement with the Government to retain Right to Buy receipts on the basis that this funding will be used to increase the supply of affordable homes for rent. If the budget is not carried forward and spent, the Council would need to return the receipts to the Government, with interest. The Council purchased 10 properties in 2021/22. (23 properties purchased and gifted in 2020/21)
- 11. <u>Shepshed Town Centre Development and Public Realm</u> The budget in 2022/23 is £1,065k. An update report was taken to Cabinet on 9th June 2022, giving approval to commence procurement and provides a detailed plan of the project.
- 12. The funding arrangements for 2021/22 are detailed in Table 2 below.

Table 2

Funding the Capital Programme 2021/22	<u>Amount</u>
	<u>£'000</u>
Grants and Contributions	2,255
Capital Receipts	3,251
General Fund Revenue Contributions including use of Capital Plan	
and other Reserves	644
HRA Major Repairs Reserve	2,642
	8,792

 After allowing for the funding of the Capital spend, slippage and funding all known future schemes up to 2024/25 there will be a balance left of £4.1m of Capital receipts available for future General Fund projects plus £2.1m in the Capital Plan Reserve, also for General Fund projects, a total of £6.2m.

14. The Capital Plan is subject to amendment within the financial year via the Capital Plan amendment reports presented to Cabinet.
