The immediate vicinity of Bedford Square is already a top 5 hot spot location for alcohol related crime within Loughborough and so police believe careful consideration is needed prior to granting another premises the ability to sell alcohol and that careful management of any such premises will be required.

Charnwood's Statement of Licensing Policy refers to a Special Policy on Cumulative Impact. These premises are within the area described within paragraph 4.1 and so the Special Policy applies to this application. The effect here is that there is to be a rebuttable presumption that this application will be refused unless the applicant can demonstrate that the granting of this licence will not add to the cumulative impact already being experienced. It is the view of the police that the applicant has not acknowledged the Special Policy or provided enough information to do so.

A premises licence was previously held by a different person, however a review application was submitted by police in February 2017, following crime and disorder at a private party held in the restaurant area on New Year's Eve and a series of breaches of the conditions of the licence. The licence was later surrendered and the business changed hands. Since then, the business has been operating as a restaurant without licensable activity and so the impact on the licensing objectives diminished.

During July 2018, I was contacted by the proposed DPS – Angela Jackson. She said that she was intending on running the restaurant area to the rear as what I can only describe as a nightclub (music and alcohol until 3 or 4am, with door supervisors) and that the pub area at the front would be managed by Moza. She described it as two separate businesses within the one building. I expressed my concerns about this and so Angela said she would appoint a solicitor. I welcomed this and suggested the solicitor contact me to discuss it further with a view to reaching a position we were all happy with. No one has contacted me in over two months and so I was not consulted any further prior to this application being submitted.

Though the hours in this application are shorter than what was initially discussed, police are still concerned about the intended use, the lack of appropriate control measures put forward and the impact this will have on the licensing objectives, particularly the crime and disorder objective.

In order to minimise the impact on the licensing objectives – and particularly with the extremely close proximity of residential properties on all four sides – police suggest the following amendments to this application:

- All licensable activity to cease at 2330hrs, with a closing time of 0000hrs.
- Within the restaurant area, no alcohol will be sold without a table meal.
- The restaurant area will not be used for the purpose of vertical drinking or regulated entertainment.
-

Police also have concerns regarding the ability of the proposed DPS to carry out her role in what will need to be a sensitive and carefully managed manner, when she is also the DPS at a nightclub in Leicester City Centre (licensed from 1100hrs to 0300hrs daily).
