1. Background

- 1.1 This application has been determined under delegated powers and the purpose of this report is to make Members aware of the decision.
- 1.2 Under the terms of the Constitution, the application should have been determined by Plans Committee as the applicant is a relative of a member of staff. The original planning application form was not completed correctly by the Agent to identify this. A revised application form was later submitted but not added to the application file before the decision was issued on 2nd May 2023. The delegated report and decision notice are attached as Appendix 1 for information.

2. Conclusion

- 10.1 The decision notice has been issued and so the planning permission is granted.

11. Recommendation

Members note the decision.
