Subject: Tree Protection Order - Jubilee Walk Shepshed

Hi Laura,

I hope this email finds you well,

I just wanted to reach out about the tree protection order notice that we have received through the post this morning. We have lived at 16 Rockingham close, Shepshed for 6 years. During this time we have had to contact the Green Spaces department and Tree Officer twice about self seeded trees from Jubilee walk falling over into our garden and onto the property.

We have also had to trim back massively overhanging branches from trees lining the public footpath next to our house. These branches are blocking out the majority of sunlight to our property, causing mould problems in our house and vehicles, and also causing me huge anxiety over whether a good gust of wind will drop one of the trees directly onto our house. I have raised the issue of non-maintenance of these trees with Green Spaces Dept and the Tree Officer more than once as these trees are also self seeded and leaning towards the property. Each time I have raised this as a potential problem I am told the trees are on a list of works to be completed...this has been the case for approx 4 years now.

I have no objection to the tree protection order per se as I have seen that some mature trees have been cut down, however I do object to the tree protection order being placed with no necessary arboreal works being carried out in tangent.

Please could you confirm whether we will have to apply for a permit to do the councils work for them, in tidying up these dangerous overhanging branches, or will this work finally be carried out by the council?

Thank you,

Rowena Dimblebee

Subject: Tree Preservation Order 2023 – Jubilee Walk GI Corridor – Tickow Lane to Rockingham Close, Shepshed

Dear Rowena

Tree Preservation Order 2023 – Jubilee Walk GI Corridor – Tickow Lane to Rockingham Close, Shepshed

I refer to your attached email dated 27 March which includes my response of 31 March, also the attached further response sent to you on 03 April by this Council's Senior Landscape Officer.

Having received the further response, please would you advise whether or not you wish your email of 27 March to be considered as an objection to the Order? If you do, I will arrange for it to be considered by this Council's Appeals and Reviews Committee.

Thank you.

Hi Laura,

Apologies for the delay in getting back to you,

Yes please do leave my email as an objection to the order,

Thank you,

Rowena
