Equality and Diversity

An overarching Equality Impact Assessment has been undertaken on the Corporate Strategy (2020-2024) to consider the overall impact on our communities. Subsequent Equality Impact Assessments are undertaken on individual tasks and activities, if appropriate.

In supporting the Corporate Strategy (2020-2024), the Corporate Delivery Plan 2022-23 has a strong focus on activities and performance indicators which support residents' priorities and those areas that the Council recognises as requiring additional support; therefore, delivery of the Corporate Delivery Plan is beneficial for many of those within the community who need us the most.

Climate Change and Carbon Impact

The Corporate Delivery Plan specifically covers climate change and carbon impact under the first theme within the plan, "Caring for the Environment." The theme features two objectives to "take action to become a carbon neutral organisation by 2030 to help tackle climate change" and "help protect our environment by using all powers available to tackle those who threaten it". These objectives focus on the work the Council has completed to tackle and support climate change and carbon impact.

Crime and Disorder

The Corporate Delivery Plan specifically covers crime and disorder under the second theme within the plan, "Healthy Communities." The theme features an objective to "continue to work with partners to make our towns and villages safer places to live, work and visit."

This objective focusses on the work that the Council has completed to reduce anti-social behaviour, reduce burglaries and reduce re-offending as well as reassuring residents and increasing confidence that effective action is being taken by the Council and its key partners in this area.

Part B

Background

1. The Committee receives performance reports on a quarterly basis to allow it to monitor progress against achieving the agreed targets which support the delivery of the Council's objectives as set out in the Corporate Strategy (2020-2024) and Corporate Delivery Plan for 2023-2024. As part of the scrutiny arrangements, it is envisaged that the Committee will be forward and outward looking and review performance through investigating how performance can be improved.
2. The attached report presents detailed performance results for quarter one 2023-24 of the final year of the Corporate Strategy (2020-2024) for Charnwood Borough Council. It provides explanations and commentary in respect of poor performance or nonachievement of targets and details of remedial actions being taken where appropriate. The report focuses on detailed information and dashboard reporting to provide the Committee with the information required to sufficiently scrutinise performance.
