# PUBLIC TRANSPORT SCRUTINY PANEL – 7TH FEBRAURY 2024

## **Report of the Director of Finance, Governance and Contracts**

### PUBLIC TRANSPORT SURVEY

#### Purpose of the Report

To consider a further draft of the Public Transport Survey.

#### Action Requested

That the panel notes the survey and decides any amendmnets before issuing.

#### <u>Reason</u>

To ensure the panel has sufficient background knowledge of the public transport provision across the borough, to help with future work programming.

#### Background

Prior to the first meeting of the Public Transport Scrutiny Panel, a survey was issued requesting information from Parish and Town Councils and Borough Councillors regarding public transport in their respective areas. The information collated was considered at the first meeting of the panel, held on 13th December 2023 and members felt that the responses received had not given a thorough representation of public transport across the borough. Therefore, it was agreed that a further survey be commissioned to capture more information, and to give members more time to complete the survey. It is suggested that the survey be sent to borough Councillors, Parish and Town Clerks for consideration at Parish and Town Council meetings, and some local residents groups to capture more responses in the Loughborough area.
