This representation relates to the following licensing objective(s) (Please Tick ✓)

- | | | |
|----|--------------------------------------|-------------------------------------|
| 1. | The Prevention of Crime and Disorder | <input type="checkbox"/> |
| 2. | Public Safety | <input type="checkbox"/> |
| 3. | The Prevention of Public Nuisance | <input checked="" type="checkbox"/> |
| 4. | The Protection of Children from Harm | <input type="checkbox"/> |

Please state the ground(s) for representation (please read guidance note 1)

The Prevention of Public Nuisance:

The Applicant seeks to licence the premises for:

Recorded Music (Indoors) Mon to Sun from 07:00 to 00:00

Performances of Dance (Indoors and Outdoors) Mon to Sun from 07:00 to 00:00

Late Night Refreshment (Indoors and Outdoors) Mon to Sun from 23:00 to 05:00

Supply of Alcohol (On) Mon to Sun from 00:00 to 00:00.

I own a property which directly faces the Loughborough University Athletics Arena across the A512 Ashby Road.

Despite assurances to the contrary I have received no ^{advance} communication of this Licence Application from either IMAGO or University Community Liaison Officers.

There have been previous Public Nuisance issues relating to Arena facilities (Lighting, Loudspeakers) and ~~these~~ ^{their} usage during events.

The extensive hours applied for "outdoor entertainment" do not bode well. What is going to go on until 5am !!?

p.t.o.

Please provide as much information as possible to support the representation

(Please read guidance note 2)

I would like to be told more about this before the "license deal" is closed.

The worst nuisance would be if unauthorized access were to be gained to the running track area (close to our properties) in the middle of the night.

In the past this has led to post exam "revellers" causing lots of commotion in the night.

The University installed high security fencing and the Arena has been secure outside of "running track" hours.

Since the Hotel has been built the Arena security has been compromised by two new potential access points for 'unauthorized access' during the ^{wideranging} proposed licensing hours.

(i) the Hotel Entrance + Patio Doors

(ii) the side gate providing access from the Elite Athlete Quarters

Once guests, or others, are on the patio there is only a low level de-marcation fence which is not adequate to prevent 'spilling over' into the Arena area. Signs + staff supervision alone are hardly likely to ameliorate this risk.

contd)

I would like to think that the Application is not granted until fencing is installed to ensure NO ACCESS WHATSOEVER is allowed to the Arena in the hours (night time) when supervised running track activities have closed for the day.

~~There is~~

There are other issues which a meeting of interested parties could well resolve.

Proper communication meetings were held prior to Planning Consent ^{being} ~~was~~ given for the new buildings.

Please can we have the opportunity to hear from and question IMAGO representatives on their intended usage of their new facility and how ^{the risk of} late night public nuisance can be wiped out from the start.
