Name and Address
------------------

Telephone Number (If any)	
E-Mail address (optional)	

**Please provide as much information as possible to support the representation**

(Please read guidance note 2)

**Prevention of Public Nuisance**

The premises face out to a large open amphitheatre represented by the athletics sports stadium. This is the same area which has already become a serious public nuisance to local residents on the occasion of previous events. We understand that this development will bring a lot of kudos to the University but it will do nothing in its present licensing application for local cohesion only compound the general disturbance locals already experience from current events.

Evidence can be presented to show that amplified sound has already been highly disruptive to the peaceful enjoyment of residents during daytime events and this is particularly upsetting at night.

As recently as last summer residents wrote to the university complaining about noise during the day

With this record of public nuisance in mind, we are naturally fearful that the playing of loud music, particularly late at night and early hours of the morning may well permeate the area to the same degree. The amplified music does not lose its decibels as it travels across to nearby homes.

We are also concerned how this application will be monitored with local residents being given priority to decisions made. At the moment the events that are run are monitored by the organiser who probably has no idea of the effect the loud music and raucous behaviour as a result of excessive alcohol is having on the local community.

We quite understand that athletes, their companions and guests may reasonably expect refreshments in a pleasant atmosphere at all times of the day. However, the location and facility too easily lends itself to use by other sporting and associated clubs.

My firm opinion is that Dance, Recorded Music and Alcohol both inside and outside should be restricted to residents and guests only and cease by at 23.00 hours.

There is also a further matter of security with such things as break ins/thefts which are rife already within the confines of the campus – such an application will only attract more attention which inevitably then spills out into the local community.

Traffic on the A512 and Epinal Way is chaotic already with the University being in close proximity of both. Another licensing place for the staff, elite students and guests would increase that volume of traffic.

One has to wonder why **Elite Athletes** require another licensing premises when there are already various outlets in and around the University selling alcohol and providing entertainment.
