Hello Mrs Dowson. Thank you for your email regarding the premises at 117 wanlip lane .I am sorry for the late reply . looking at the date I will not be able to attend the meeting,as I said on the phone

please can you get someone to read out my statement for me ,I am then sure this matter can be cleared up quickly.if the noise is brought up it would be mainly children hanging around as they tend to do this in the summer months.noise for early morning delivery service,and cars coming and going .I have attached a photo of the street tonight and it worries me where would anyone park .in the day time it is ok but in the evening it is already dreadful.I also have been told that one stop shops have the delivery by lorry's.this would be a huge concern in the morning as the road covers 2 schools ,a infant /primary school with children 5 to 11 one end of the lane and a acccadamy the other end with ranges of children 11 to 18 years of age .plus a pre school.I thank you for your valuable time in this matter .regards Delice
