Subject: FW: Full Variation Application - Quorn Grange Hotel, Quorn

Dear Licencing,

I write in response to the recent consultation document concerning the above premises. The application appears to seeks permission for: a change to the licensable area to include the new 25 bedroom wing and layout plan.

Potential for public nuisance arising from this application

Having reviewed and assessed the above application I am concerned about the potential for public nuisance from the playing of live music and other forms or regulated entertainment externally, however I acknowledge that this has been deregulated by the “live music Act”. Under this act live music is deemed permitted if the audience does not exceed 500 and the event is held between the hours of 08:00 to 23:00.

Subject to such events finishing at 23:00hrs there are no adverse Environmental Health representations to this proposal and I therefore have no objections to this application.

Regards

Ann Green
