Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

**Continued from previous page...**

List here steps you will take to promote all four licensing objectives together.

The premises licence holder, DPS, management and staff will constantly assess any risks to the licensing objectives. They will work in partnership with the authorities and local people alike in this respect. The staff will be properly authorised, equipped, trained and motivated in this task. There will be:

- A written notice of 'authority' record for all staff who sell alcohol
- Comprehensive training for staff in the main requirements of the Licensing Act 2003, the specific measures and conditions in place to promote the Licensing Objectives and the staff roles and responsibilities. Such records shall be available for inspection by the responsible authorities.
- Contact details of the Designated Premises Supervisor available to staff and to the authorities
- The premises will operate primarily as a hair salon with the sale and consumption of alcohol being ancillary to that business purpose
- Alcohol may only be sold to those clients over the age of 18 who are purchasing hair services or treatments at the salon or the friend, companion or associate of a customer who is having hair services and/or treatments
- Off sales of alcohol shall be limited to the supply of gift items or pre-paid treatments as an accompaniment to hair and beauty products and services.

**b) The prevention of crime and disorder**

The management and staff will take all necessary steps to ensure that the premises remain free from crime and disorder and neither creates nor contributes to crime and disorder. This will include:

- Staffing levels maintained appropriately to ensure adequate security.
- Staff being trained on all security issues including how to identify and refuse service to customers that are drunk or appear to be drunk.
- Alcohol will not be allowed to be removed from the premises in open vessels or containers.
- A CCTV system shall be installed, maintained and operated in accordance with the recommendations of Leicestershire Police.
- The CCTV system shall be effective, secure, recordable and under the control of the premises licence holder, with appropriate staff training for the operation of the system and for the prompt retrieval of images which will be made available upon demand by the responsible authorities.

**c) Public safety**

The management and staff will have an effective policy to maintain a safe venue for customers and staff. Any risk to safety will be assessed before the premises are opened to the public each day and throughout the hours of operation. The DPS will liaise with the authorities to ensure that all aspects of public safety are adhered to. The policy will include:

- Appropriate fire fighting equipment being installed and maintained at the premises and staff trained in its use.
- Fire risk assessments being undertaken and acted upon in accordance with current recommendations and requirements.
- Effective lighting maintained and operated to ensure the safety of the public and staff
- The approved arrangements at the premises, including means of escape provisions, emergency warning equipment, the electrical installation and mechanical equipment, shall at all material times be maintained in good condition and full working order.
- The means of escape provided for the premises shall be maintained unobstructed, free of trip hazards, be immediately available and clearly identified in accordance with the plans provided.

**d) The prevention of public nuisance**

The DPS and staff are mindful of the need to reduce the impact of any nuisance caused by the operation of the premises, will constantly assess the risk of public nuisance and take immediate steps to eliminate the problem. Staff will ensure:

- The premises and public areas nearby are kept free from litter associated with the operation of the business
- Any noise, vibrations, smells, light pollution and any other potential nuisance is monitored and kept to an acceptable level

**Continued from previous page...**

• Deliveries to and waste removal from the premises are undertaken at a time and in a manner that does not cause disturbance

e) The protection of children from harm

The premises will be promoted as family friendly and suitable for all ages. Should children be in attendance, there will be no inappropriate promotions, activities or behaviour tolerated at the premises that might put children at risk. There will be an effective age verification policy in accordance with the mandatory code. This policy will be one of Challenge 25 for age-restricted products and include:

- The appropriate display of notices relating to the policy within the premises.
- These notices will indicate that any customer not appearing to have reached the age of 25 will be required to produce appropriate identification proving that they have turned 18 before being served with any age restricted product.
- Appropriate ID will be a passport, photo driving licence, PASS accredited proof of age card or other reliable photo-ID that is recommended and approved for acceptance by the police or other authorities.
- Staff shall be trained in aspects of responsible alcohol retailing and in particular the Protection of Children including the Challenge 25 policy.

### **NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK**

*Continued from previous page...*

**Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:**

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

**Documents which demonstrate entitlement to work in the UK**

- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

*Continued from previous page...*

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.

  - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
    - (i) working e.g. employment contract, wage slips, letter from the employer,
    - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
    - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
    - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

**Original documents must not be sent to licensing authorities.** If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

*Continued from previous page...*

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

#### **Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
