Part B

Background

1. The Contract Compliance Rules require the Contract Compliance Officer to submit a report at the beginning of the financial year showing details of contracts to be let above £25,000 and below £500,000. In approving the report, Cabinet will agree for each contract the form of tender evaluation arrangements, whether the tender specification needs to be approved by Cabinet and whether authority is delegated to the Contract Compliance Officer to agree exceptions and open negotiation procedures.
2. Having an Annual Plan does not allow sufficient flexibility for goods and services that are found to be required during the year. Therefore, to avoid individual reports being submitted for each contract, and to encourage services to adhere to the Contract Compliance Rules, update reports will be produced with contracts to be let in the second, third and fourth quarters of the year.

Procedure

3. Heads of Service have been contacted with a view to producing a plan for 2020/21 and details of all contracts that Heads of Service have asked to be included are given in the Appendices attached to this report. The contracts have been divided into those contracts estimated to cost between £25,000 and £75,000 and those contracts between £75,001 and £500,000.
4. For contracts up to £75,000, it is recommended that, in line with Quotation and Tender procedures the relevant Head of Service should deal with these by requesting 3 written quotations. In cases where a quotation other than the lowest is accepted, authority has been given to the Contract Compliance Officer to authorise a waiver or exception to the Contract Procedure Rules. Contracts falling under this authority have been itemised in Appendix A to this report.
5. For contracts in excess of £75,000, a written specification must be prepared and tendering completed in line with Contract Procedure Rules. Contracts falling under this authority have been itemised in Appendix B to the report.
6. Contracts above the £500,000 threshold need to be reported separately to Cabinet during the year before procurement begins.
