will result in the closure of any facility from which Borough Council services are provided or a reduction by more than 10% in the level of a discrete service provided.

In other cases the impact of the decision will be considered in terms of the strategic nature of the decision, the effect on the amenity of the community or quality of service provided by the Council to a significant number of people living or working in the locality affected, the size of the area affected and the likely public interest in the decision.
