**PUBLIC SAFETY**

The access to Beacon Hill Country Park is on a country lane on the blind summit of a hill. Traffic queuing to enter presents a hazard to vehicles travelling along the road. The police have been involved in this location in the recent past due to safety concerns. Events held here would cause high volumes of traffic at specific times, risking public safety.

**PREVENTION OF PUBLIC NUISANCE**

The definition of a Country Park, according to data.gov.uk is "Public Green Spaces...which provide places to enjoy the outdoors and experience nature in an informal semi-rural park setting." Playing recorded music outdoors all day from 8am-8pm is intrusive in this setting and constitutes a public nuisance to other park users who come to enjoy the outdoors and experience nature. The daily outdoor music of a Country Park should be birdsong, which is what many people go there to enjoy.

In regard to facilities the definition states: "Country Parks normally have some facilities, such as a car park, toilets, perhaps a café or kiosk, paths and trails and visitor information." Daily sales of alcohol from 8am-8pm means the café would function as a pub, which presents potential for conflict with recreational park users (see below) and has implications for its access by road users. As the adjacent village already has 4 pubs, there is no need for another pub in this location.

**The Protection of Children from Harm**

Adjacent to the site of application is a large children's playground, which includes equipment for all ages of children. It is used by the public, and licensing alcohol and events would create an environment for children which would need monitoring.
