

## CABINET – 14TH OCTOBER 2021

### Report of the Head of Leisure and Culture Lead Member: Councillor Jenny Bokor

#### Part A

#### ITEM LOUGHBOROUGH BUSINESS IMPROVEMENT DISTRICT (BID) – THIRD TERM

##### Purpose of Report

The purpose of the report is to outline the advantages of a third term of a Business Improvement District (BID) in Loughborough Town Centre. The report also seeks to confirm the Council's position on the BID renewal ballot for a third term and to seek Cabinet approval for the Council to vote in favour of a third term of the BID.

##### Recommendations

1. That the proposal for the Council to vote 'Yes' for the proposed 3<sup>rd</sup> Term Business Improvement District (BID) for Loughborough be approved.
2. That authority to vote in the BID ballot on behalf of Charnwood Borough Council as the non – domestic ratepayer to be delegated to the Section 151 Officer.

##### Reasons

1. To ensure the Council complies with the requirement to vote in the BID ballot as the benefits outweigh the cost to the Council.
2. To enable an appropriate person to vote in the ballot for the business premises in the Borough for which the Council is liable for the non – domestic rates.

##### Policy Justification and Previous Decisions

The BID Proposal supports key objectives within the Corporate Plan. It will assist with COVID 19 recovery and effective partnership work to achieve economic regeneration in Loughborough.

The Loughborough Business Improvement District (BID) was first established on 1 February 2012. It was renewed after the first 5 years in 2017. This second term comes to an end on 31 March unless the BID is renewed at ballot by businesses.

In 2017 there was a 56% turn out of the 581 businesses who were entitled to vote. The majority in favour of establishing the BID for a second term was 72% by number and 78% by Rateable Value.

The BID in its second term has delivered a programme of projects and events as well as being instrumental in providing support and guidance in response to the challenges of COVID 19.

The work of the BID has been funded by the BID Levy income of approximately £1.2 million and by £100,000 in match funding the BID has secured.

Love Loughborough's aim is to market and promote the town centre, help to keep it safe, clean, and friendly so that residents and visitors will want to visit, and businesses have the opportunity to prosper.

Over the last 10 years the BID has played a key role in raising the profile of the town and its offer improving the environment and attracting investment. It will have an important role to play alongside other partners, in the recovery and resurgence of the town centre.

In addition, it will support recycling and reduce waste and improve the attractiveness of Loughborough for new businesses and retailers. It is likely that the BID will continue to contribute to a number of initiatives including Loughborough in BLOOM, 'Christmas lights' promotions, quality marketing campaigns and improving the appearance of empty shops and continue to work with partners to reduce crime.

Cabinet received a report on the 16 September 2021 setting out a proposal for a renewal of the BID for a further 5-year term. Under the BID Regulations, the BID Renewal proposer is obliged to advise the Council of the matters to be included in the proposal. The Cabinet report of the 16 September fulfilled that requirement.

At that meeting Cabinet resolved:

1. To endorse the BID Proposal.
2. To note the supporting information to support the BID Proposal including the BID Business plan.

### Reasons

1. To ensure the Cabinet are aware of the proposal and have no objection to it.
2. To enable the ballot to proceed within legal requirements Policy, Justification and Previous Decisions.

### Implementation Timetable including Future Decisions and Scrutiny

The ballot period is 28 days and all businesses in the BID area entitled to vote will be notified of the ballot arrangements and will be sent the ballot papers. Proxy voting can be arranged for those that require it.

### Report Implications

The following implications have been identified for this report.

There are no new financial implications for the Council arising from this report, as the Council currently pays a levy as a Business in the BID area, there are 9 properties in the Council's ownership that would generate a levy. The Business Plan proposes a levy of 1.5%. The following table identifies the properties concerned and both the rateable value and the levy that is proposed would have to be paid by the Council in the event of a 'yes' vote.

	Rateable Value	BID levy at 1.5%	Property
1	£4,600	£ 69.00	PUBLIC CONVENIENCES, MARKET PLACE
2	£9,500	£ 142.50	PUBLIC CONVENIENCE, BIGGIN STREET
3	£26,250	£ 393.75	CHARNWOOD MUSEUM, QUEENS HALL
4	£95,500	£ 1,432.50	CAR PARK, GRANBY STREET
5	£156,000	£ 2,340.00	CBC, BEE HIVE LANE
6	£34,000	£ 510.00	TOWN HALL, MARKET PLACE
7	£900	£ 13.50	BUSINESS UNIT 6, PT 1ST FLR, WOODGATE CHAMBERS, 70 WOODGATE
8	£100,000	£ 1,500.00	CBC MARKET TOLLS, MARKET PLACE
9	£450,000	£ 6,750.00	CHARNWOOD BOROUGH COUNCIL, SOUTHFIELDS

It is expected that from the time of the vote on 28th October 2021, the new levy will be collected from the Borough Council and all businesses from 1st April 2022. The amount that would be allocated to financial year 2022/23 will be determined as part of the 2022/23 budget round and will be made available, if necessary, following the outcome of the vote.

Conversely should the BID be unsuccessful in securing a 3rd term in the ballot, the BID would cease, and this amount would represent a saving for the Council

### *Risk Management*

The risks associated with the decision Cabinet is asked to make and proposed actions to mitigate those risks are set out in the table below.

Risk Identified	Likelihood	Impact	Overall Risk	Risk Management Actions Planned
Should the BID not achieve re-election and cease, there may be potential expectation from businesses that the Council will support this function	Unlikely (2)	Serious (3)	Moderate (6)	It is clear in the BID marketing documentation that, should there be a NO vote, the BID and the services delivered through the levy would cease. The Council has also made it clear that it would not be in a position to resource the staffing or generate the level of additional funding that the BID is able to secure.

### *Crime and Disorder*

In the BID's existing business plan reducing crime and disorder and specifically reducing retail crime has been a priority. The BID continues to play a key role in supporting the work of the Crime and Safety Partnership with a focus on reducing retail related crime and antisocial behaviour in Loughborough town centre. The BID currently subsidises the cost of a number of initiatives all aimed at reducing crime and disorder. These include: Retail Radio, intelligence sharing, training initiatives, assisted by a web-based communications tool called DISC.

## **Part B**

### **1. Purpose and Process for the BID**

1.1 The primary purpose of the BID is to sustain a formal structure whereby businesses in an area come together to fund, manage, and implement an agreed programme of actions designed to improve the attractiveness of the area to the benefit of all the businesses within it. The Council has two places on the BID Board alongside other types of business.

1.2 In order to secure second term for the BID, it is necessary to secure the support of the business rate payers within the proposed BID area via a vote. Each separate property owned by a business rate payer (referred to as an hereditaments) attracts a vote. It is necessary to secure a minimum of 50% 'yes' by both number of businesses and total rateable value of the businesses that vote. The voting is done in this way to try and ensure that all businesses, irrespective of size, have an equal say. A 'yes' vote means that all eligible businesses have to pay the levy, irrespective of whether they support it, and it is a statutory requirement that every business within the BID area will be liable.

1.3 If the BID are successful in securing a 3rd term, this will be for a for a period of five years, after which a further vote is sought to ascertain whether businesses wish to continue for a further five years and so on. If the necessary level of support is not achieved then the BID ceases to exist, and no levy is collected, and the additional services (business recycling, events, Retail Radio scheme, icicle Christmas lights, BLOOM etc) created under the BID also cease. If successful, the BID will continue to be managed by the BID Board to deliver the projects outlined in the Business Plan which was included in the 16 September Cabinet Report.

1.4 The levy would continue to be collected separately by the Council from the business rates and will be paid directly to the BID Company. The BID Board will be responsible for the implementation of the agreed programme and will be accountable to the BID members through its constitution. A BID manager will be responsible for the day-to-day management of the BID throughout its lifetime. The Borough Council will have no greater say in the BID than any other business within the BID area.

### **2. Consultation with Businesses on the Renewal Proposal**

2.1 A comprehensive survey of businesses was carried out in July 2021 with over 100 responses. Almost all of the activities that the BID is currently undertaking were supported along with a focus on 'recovery' from COVID.

2.2 Headline figures show that 94% think that the BID provides 'good value for money' over 90% think that the BID's performance has been 'good' or 'excellent' and 84% stated that they would vote yes for the BID again.

### **3. Loughborough BID Proposal**

3.1 Loughborough's BID proposal endorsed by Cabinet on the 16 September 2021 has now been distributed to all businesses in the preparation for the voting period which will conclude on 28th October 2021.

3.2 The Renewal Proposal determined the BID Body, Loughborough BID Company Ltd was a Private Company Limited by guarantee and:

- The BID area will remain the same
- 5 Years with a commencement date of April 1, 2022 (to March 31, 2027)
- Levy to remain at 1.5% of RV
- A minimum of £100 will apply per hereditament
- Exemptions - will apply for organisations with a rateable value below £2,700, Non-retail charities, with no paid staff, trading income, arm, or facilities.
- Alterations – The BID area and the levy rate cannot be altered without a further ballot. The BID projects, costs and timescales can be altered with the agreement of the BID Board
- Cap – Not applicable

#### 4. Statement of Works

4.1 Services that the BID provides are over and above the baseline of the Local Authority and the BID funding will not be used to replace any existing Local Authority services.

The Service areas that the BID will operate with remain the same:

- Shout about Loughborough – to promote and deliver events, activities, and marketing campaigns
- Enjoy Loughborough – to make Loughborough a more attractive place
- Business Voice – to sustain a formal structure and voice whereby businesses in an area come together in the interest of business
- Adding Value and Strategy – schemes such as recycling, social media etc

#### 5. BID Performance: How will the achievement objectives be measured?

5.1 It is expected that the activities of the BID over the next five years will lead to measurable improvement in the prosperity of Loughborough Town Centre. Some of the improvements are visible to all e.g., on street advertising and marketing, delivery of events, Christmas Icicle shop front lighting and BLOOM installations. In addition, a series of fresh Performance Indicators (PIs) would be introduced to help monitor the performance of the BID. These would include regular measures of footfall, car park use, trader satisfaction surveys, customer satisfaction and vacant unit counts. Levy payers would be updated on the progress of the BID through newsletters, meetings, and the website.

#### 6 BID Achievements

6.1 The BID achievements to date were summarised in the BID fact sheet which is an appendix to this report. The BID fact sheet was included in the background documents to the September Cabinet Report. The Fact sheet was circulated to all businesses in the BID area along with the BID survey as part of the consultation process.

# LOVE LOUGHBOROUGH BID

## Stronger Together

The Love Loughborough BID (Business Improvement District) is an organisation whose aim is to market and promote our town centre and help keep it a safe, clean and friendly environment so that customers will want to visit, and businesses have the chance to prosper. The Love Loughborough BID has become an increasingly important element of the business community over the last 10 years. It has played an essential part in raising awareness of the town and its offer, improving the environment and attracting investment

The services and projects provided to date by Love Loughborough BID were as a result of an extensive consultation process in 2017 with you, the local businesses. This focused upon the success of projects delivered by the BID in its first term after initially being voted in back in 2012. The Love Loughborough BID is business run and led and responds directly to your needs and wants.

Working in collaboration with a range of other partners Love Loughborough BID's Board of Directors (drawn from local business representatives who work on a voluntary basis) have diligently, over the last years delivered the business plan projects. They have also been proactive in seeking new avenues for funding and these efforts have added substantial value to the investment of local businesses.

Your BID levy raises over £250,000 each year to deliver the projects that you, the businesses voted for. When this is coupled with additional income, it totals a spend of over £1.5M in 5 years.

In October 2021 Love Loughborough BID will be asking you to continue your support for the BID. The time has come for you to review and assess our work to date and to build upon the successes by helping us to formulate a new business plan for the next 5 years and by voting "YES" to renew the BID for a further 5 years

Remember, if you choose for the BID not to continue, all the work and cumulative achievements detailed in this document will wind down and cease from April 2022.

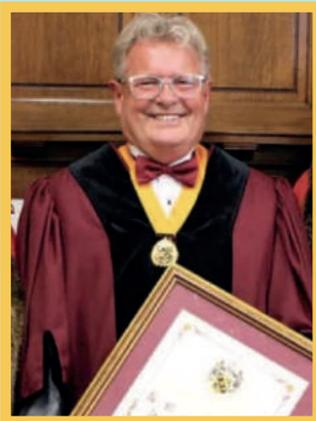

The last decade has seen towns across the UK experiencing massive changes as peoples' shopping habits move and their choices change. This has been exacerbated this year further by the pandemic and having to meet the unprecedented challenges that this has brought. In this undeniably tough trading environment Loughborough must continue to adapt, recover and grow in order to thrive.

Our town centre must be fit for purpose and able to compete with other places. Not only in recovering from COVID and its impact, but the ever growing and ever present online challenge remains. Town Centre businesses must move with the times and offer consumers what they want, when, and in the way they want it. It is crucially important to not only have a plan but to be aspirational for our businesses and our town. You can do this by showing you still support your BID. Vote "YES"

## A Message from the Chairman

I live in Loughborough and run a business in the town gaining a wealth of knowledge about the town and its surrounding Borough. A well-known figure in Loughborough, I have been an active member of the Rotary Club,

Chamber of Trade & Commerce and in 2019 I was awarded The Freedom of the Borough of Charnwood in recognition to my service in the business community.

I became Chairman of Love Loughborough BID in 2017 and have invested my time, energy and passion into making Loughborough town centre a vibrant and prosperous place to work, live & visit.

I have seen Love Loughborough BID not only achieve and deliver the benefits you wanted throughout this 2nd term, but have been astounded at the adaptability and expertise in supporting your businesses throughout these unprecedented times of a Pandemic. Love Loughborough BID has achieved over and above what was set out in the Business Plan 2017 -2022 and have operated a COVID business support service

247 to ensure you received eligible grants & funding and promotion to re-boost trade & sales.

Our focus is now attuned to the re-opening and recovery of our High Street with targeted support for your businesses to help you adapt, diversify and trade safely; to welcome back customers to a safe town centre and build on what we had already achieved.

The achievements delivered so far have been awesome and I'm sure you will agree it would be a devastating loss to lose them. Love Loughborough BID is your BID and is here to deliver your wants and needs. It's down to you to decide on what the Levy should be spent on to achieve maximum results.

I urge you to complete the BID Renewal Survey and have a voice in how you can help us shape the future of Loughborough Town Centre. We need to ensure that the next 5-year plan delivers the benefits and campaigns that you want to see to ensure the prosperity of your businesses and our town centre.

Thank you for your continued support

## What is a **Business Improvement District (BID)**?

A Business Improvement District or BID is an arrangement whereby businesses collaborate to decide what services and improvements (in addition to those already provided) they wish to make in their location, how they are going to manage and deliver those improvements and what they are prepared to pay to make them happen. This information forms a business plan that will be voted upon by all prospective levy payers. If the majority vote YES by both number and rateable value a BID exists for a maximum of 5 years and must spend the funding raised within the BID area and in accordance with the agreed business plan.

### An Investment In **Your Business**

This document aims to both review the success of Love Loughborough BID and offer the opportunity to all in the BID area to secure a third term for the BID. A chance to invest £1.5 million over the next 5 years to secure the firm foundation we have laid and to build upon it. Together we can continue to improve footfall, increase sales, reduce business costs and not only sustain the Town Centre but be aspirational for it and our businesses.

### The Funding - **Your Money, Your Say**

As central and local government funds steadily decrease, a great many Town Centres are deciding to adopt or continue this private sector management model called BIDs, to better fulfill the wishes and wants of their business community. Love Loughborough BID is an example of this and is funded by businesses in the area that pay a set levy based upon their rateable value. This investment is ring-fenced and can only be spent within the BID area on the ideas and themes agreed and voted upon in the business plan. It is important to note that the levy has nothing to do with normal business rates which pass straight to the government.

## The BID Company

The Love Loughborough BID is managed by a Board of Directors (on a voluntary basis) drawn from local large and small businesses from within the BID area. The BID is a private, not for profit, independent company. Any local levy payer is eligible to become a member of the BID Company and can then be put forward to serve as a Director of the BID.

## The Vote

If you are eligible to pay the levy, you are eligible to vote, so you decide if the BID continues. Of those that vote, if a majority of businesses vote in favour of the BID by number and by total rateable value, the levy will be mandatory on all businesses in the BID area apart from those that are exempt.

## What Happens if it is a 'NO' Vote.

If the vote is 'NO' then Love Loughborough will cease to exist from April 2022. All the services including all the marketing, events and promotional activities, the environmental improvements, reducing crime initiatives and business support and training provided by Love Loughborough will stop immediately at that time.

*When I was newly appointed as Pub Manager at the end of the last lockdown, there was a lot to take into consideration. Not only did I need to bring the pub back online after 6 months of closure, but was also responsible for implementing the new Covid-19 restrictions for hospitality. This kept me up a lot at night!*

*Love Loughborough have been there every step of the way with vital information and resources for reopening. The ambassador has been an excellent sounding board and has always been able to refer me to the best person to answer a query.*

*For me, the most valuable service provided by the BID is the provision of the radios. These help to keep my staff and customers safe during trading by allowing efficient communication with other venues and town CCTV. - Patrick Kane, Pub Manager, Organ Grinder*

## A NO VOTE will mean funding, services and events will be lost including:

- ✗ Over £1 million BID levy investment in supporting Town Centre businesses will be lost over the next five years.
- ✗ Funding and services that the BID leverages, averaging £30,000 pa will be lost.
- ✗ There are over 300-plus BIDs in the UK now and Loughborough would lose ground with other BID locations such as Melton, Hinckley, Leicester and Nottingham
- ✗ Events attracting over 180,000 people annually
- ✗ The Love Loughborough website - a one stop shop attracting nearly 4000 visits per month
- ✗ The Love Loughborough Facebook, Twitter and Instagram platforms would close along with promotion of local businesses and their offers.
- ✗ Loughborough in Bloom and BID Christmas Lights displays and promotions would cease.
- ✗ Business Crime Prevention Scheme, including the Retail Radio and Pubwatch would stop
- ✗ Immediate response from the BID Ambassador would be lost, removing the direct link to CCTV & the Police
- ✗ The Recycling Scheme used by over 300 businesses would cease.
- ✗ NO free WiFi or live town centre footfall data
- ✗ Business training, 121 consultations and networking events would stop
- ✗ Delivery of key projects within the Town Deal £3 million Living Loughborough Project would be compromised and elements lost.
- ✗ A powerful business body to regularly lobby on your behalf on things like car parking to COVID recovery and support will be lost

# Tell Us What You Want for the Next Five years

We want Loughborough to not only to sustain its current level of collaboration and achievements but to be an example of excellence and a market leader in terms of developing a thriving trading environment and keeping pace with a marketplace that is in constant flux. As a starting point, it is important we know what has worked well for you to date and what needs further improvement. It is your ideas and feedback that will form the basis and content of our next BID business plan.

With that in mind we would be grateful if you would take the time to fill in our BID Renewal Survey on our website [www.loveloughborough.co.uk](http://www.loveloughborough.co.uk).

You can provide your contact details on there too so that we can contact you in the future to invite you to our Renewal Sessions to help with our detailed business planning.

## The Added Value The BID Brings To Loughborough

The BID works collaboratively with other local partners whenever we can.

It is important for businesses to sit around the same table as others who deliver services and seek to positively promote or enhance the Town Centre to maximise the impact and outcomes to the benefit of all. As a result, Love Loughborough BID has grown to be recognised as a fundamental part of both the current and future of the Town Centre. As such, we can influence and reflect the interest of both BID Members and our visitors.
