The Prevention of Crime and Disorder
Public Safety <i>Increase in traffic flow and parking on Dovecote Street.</i>
The Prevention of Public Nuisance <i>Noise pollution in residential area.</i>
The Protection of Children from Harm

Please provide as much information as possible to support the representation

(Please read guidance note 2)

(2) Public Safety

Dovecote Street is narrow. Many houses are terraced, so residents have to park on the street. Hathersn Club has limited parking, but an increase in opening hours would inevitably bring in more people. Many of these would be forced to park on Dovecote Street, depriving residents of parking spaces.

With cars being parked on the street, traffic flow is also a problem, with cars having to reverse along the narrow street to allow oncoming cars to pass.

Please provide as much information as possible to support the representation

(Please read guidance note 2)

(3) The Prevention of Public Nuisance.

Hathern Club is situated in a village centre, surrounded by housing. Our house is adjacent to the Club and, in the past few weeks, we have experienced an increase in noise levels from music events in the evenings, usually twice a week. This is noticeable in our garden and inside our house. As this noise very often goes on up to midnight, this does disturb our sleep. The proposed increase in the music licensing hours would mean that this disturbance could happen on any day and at any time.

We accept that there will be occasions when we hear music from the Club, but feel that the increase in hours applied for is unsociable and unnecessary.
